

CRI-B Training Session

"Design a structured aerobic dance training session for a group of your peers. Your session should:

1. Include a **clear warm-up, main activity, and cool-down** phase.
2. Identify the **specific fitness components** (e.g., cardiovascular endurance, coordination, flexibility) targeted in each phase

Training Session

Section	Time	Exercise Name	Purpose	Fitness Component
Warm-up				
Main Activity Aerobics				
Cool Down				

CRI-B Training Session

Section	Time	Exercise Name	Description	Fitness Component
Warm-up	5 min	Jogging & Stretching Step Touch & Arm Circles	Side steps with circular arm movements	Coordination, Flexibility
	3 min	March on the Spot	March with knees high, swinging arms	Cardiovascular Endurance
	2 min	Shoulder Rolls & Neck Rolls Rotation	Loosen shoulder and neck tension	Flexibility
Main Activity Aerobics	3 min	Grapevine Steps	Step side, cross behind, repeat with arm swings	Coordination, Balance
	3 min	V-Step	Wide steps in "V" shape forward and back with arm lifts	Cardiovascular Endurance
	3 min	Box Step	Step in square pattern with bounce and arm circles	Muscular, Endurance
	4 min	Jumping Jacks Dance Style	Jumping jacks with rhythmic arm and leg pattern	Cardiovascular, Coordination
	4 min	Side Knee Lifts with Clap	Step to side + lift opposite knee and clap under it	Core Strength, Balance
	3 min	Squat and reach	Squat down, then reach up with rhythmic tempo	Muscular Endurance
	3 min	Step Touch Slow	Repeat earlier movement at slower pace	Cardiovascular Recovery
	2 min	Hamstring Stretch	Static stretch while standing or seated	Flexibility
	2 min	Deep Breathing and Side Reach	Inhale deeply, stretch arms side to side	Flexibility,
