Democracy in Action

WELCOME TO YOUTH PARLIAMENT

Learning Leadership Through Debate

Welcome to Gaudium School's Youth Parliament! Imagine becoming a Member of Parliament for a day.

Instead of simply learning about democracy in a textbook, students will experience it by debating important issues, sharing ideas, asking thoughtful questions and working together to find solutions.

Youth Parliament is a fun, engaging and confidence-building experience where every student's voice matters. Whether your child enjoys speaking or is trying it for the first time, Youth Parliament is a wonderful opportunity to learn, grow and lead.
