

Design Championship 2026 – Global Design Competition | Register Now

Dear Students,

Registrations are now open for **Design Championship 2026**, India's biggest online design competition for students aged **6–16 years**. Participation is **free**, and students can compete in **App Design, Game Design, Graphic Design, 3D Design, Coding, Web Design, Movie Making, and Circuit Simulation**.

Students from **India, the UAE, and Saudi Arabia** can participate. The competition has **two rounds**: an **online Regional Round** followed by the **Grand Finale in Delhi**. Winners at both the regional and national levels receive trophies and certificates.

Important Dates (South 2 – Karnataka, Andhra Pradesh & Telangana)

- **Theme Announcement:** 21 August 2026
- **Registration Deadline:** 27 August 2026
- **Project Submission Deadline:** 12 September 2026
- **Jury Review (Shortlisted Teams):** 5 October 2026
-

Registration & Guidelines

- Competition: <https://designchampionship.in/>
- Register: <https://designchampionship.in/registration>
- Guidelines: <https://designchampionship.in/registration-guidelines>

Before registering, keep the following ready:

- Team name
- Full name, personal email, and contact number of each member
- Parent's email ID
- School ID card or Date of Birth proof (PDF)
- One team representative to complete the registration

Every year, students from our school win at both the **regional and national levels**—this year, it could be your team! Free masterclasses are available for every category within the website, and you can also explore previous winning projects on the website for inspiration.

Don't miss this opportunity to learn, create, compete, and showcase your talent. Register now and take the first step toward becoming a Design Championship winner!

For any queries, please contact the **Computer Science Department**.
