

Present your work neatly in your Science Notebook.

Revise all **10 IB Learner Profile Attributes**.

In your **Science Notebook**, create a table with the following headings:

Reflect on each Learner Profile attribute and write one sentence explaining how it connects to Science.

Learner Profile	How does this help in Science?
 Inquirer	_____
 Knowledgeable	_____
 Thinker	_____
 Communicator	_____
 Principled	_____
 Open-minded	_____
 Caring	_____
 Risk-taker	_____
 Balanced	_____
 Reflective	_____

Inquirer – Science begins with asking questions and investigating the world around us.

Example: I showed this attribute when I asked questions about why some objects float while others sink and tested my ideas through an investigation
